Generate optimal plan for unlogged users

The screenshot shows a web browser window with a URL bar containing "http://". The page has a header with a "Logo" and links for "Sign-in" and "Sign-up". Below the header is a navigation bar with links for "Home", "Generate plan", "News", and "About". The "Generate plan" link is highlighted. The main content area displays a form titled "Complete information for generating an optimal hunting plan". The form includes fields for "Email*", "First Name", "Last Name", "Region" (a dropdown menu), "City", and "Select date hunting" (a date picker showing "13 May 2013"). Below the date picker is a calendar view for May 2013, with days of the week (Mon, Tue, Wed, Thu, Fri, Sat, Sun) and dates (1-31). A "Submit" button is located at the bottom of the form. The browser window also shows standard window controls (minimize, maximize, close) and a status bar at the bottom.
